City Church York Has a new Logo! As you can see on the upper right we now have our new logo. The logo, designed by local design firm [Moxie Design & Marketing](#), brings together our vision to bring the light of the Gospel to the city by being an integral partner in the growth of the city. Moxie is deeply committed to helping the city grow and move forward and we are excited to be able to partner with them on our design.

Challenge

We have a large fundraising goal of \$350,000 to support the 5 year budget for City Church. This financial support, coupled with support from our supporting church [Providence Presbyterian](#), the Susquehanna Valley Presbytery, and other local churches will allow City Church to continue to develop into a church devoted to bringing the gospel to the people of York City. In order to help reach this giving milestone we have challenged each one of our core team members to raise \$2500. If you know one of our team members, ask them how you can help give towards this goal. We need your partnership as well. If you would like to contribute, you can click the link in this email to give online or send a donation to the address below.

We value your time and your prayers as we continue along the path to building God's church in the City of York. Please pass this newsletter along to others who may enjoy knowing what the Lord is doing in York. If you
